ORDER FORM

Written to mark the Anglican Church of the Advent's Centenary anniversary, ***At the Edge: 100 years of Life at 'The Advent' 1911-2011***, is a documentary narrative of a parish on the northwest perimeter of early Toronto. Surrounded by railways and stockyards, the Advent's is a story of the "little engine that could" with adversities faced and achievements won through grit and resilience of spirit.

Richly illustrated with historic photographs, ***At the Edge*** provides a window into the life of an overlooked neighbourhood and its original settlement. Through interviews and personal reflections, the new pioneer settlers who have been welcomed to the Advent provide their own perspectives.
